Program and content : <p>Using the curatorial approach, students will have to take a position (artistically speaking) through other artists works. This initiation will allow them to deal with the different steps that lead to an exposition : from the conceptualization of an idea to the hanging of the works of art, including the budget of such an event.</p> <p>Designed as an introduction to the professional realities of the artistic activity, this lab will also be devoted to raising students awareness about the different professions involved in artistic events.</p> <p>Students will have to carry out the different steps relating to the production of an exposition:</p> <ul style="list-style-type: none"> ■ development of the speech ■ approach of space ■ budget ■ communication ■ hanging <p>This lab's philosophy relies on an entrepreneurial approach:</p> <p>producing an exposition raises plenty of problems, let's find creative solutions to face them with the means available. Do It Yourself</p>
